

R+T+C+F+R Prompt Formula

Role: Act as a digital marketing strategist.

Task: Create a high-converting Facebook ad copy and headline.

Context: The ad promotes a 7-day free trial of an AI-powered social media scheduler for small business owners. The goal is to increase free trial sign-ups by 30%. Audience: Time-strapped solopreneurs aged 25–45.

Few-Shots:

- Emphasize benefits like "save 10+ hours/week" and "auto-post to Instagram, LinkedIn & Facebook."
- Use clear CTA like "Start Free Trial Today."
- Keep copy under 40 words; headline under 10.

Report / Tone: Deliver ad copy and headline in a confident, benefit-driven tone that creates urgency without being pushy.

14. solve the following logic puzzle. show your reasoning process There are 5 Islands in a row. Parker the Paranoid Pirate has a ton of gold hidden on one of them.

During the day you have enough time to sail to just one island to find the gold.

But every night Parker moves all that gold exactly one island over (so if it was on island 4 it gets moved to either island 3 or 5)

What strategy can you use to have the best chance of finding the gold?

Is it possible to be sure of finding the gold?

(Try this puzzle with a friend, one of you can be Parker)

15. Summarize the article below in exactly 5 bullet points. In a world where over 170 million people use social media on a regular basis, every working professional is expected to be familiar with at least the core tenets of Digital Marketing. In simple terms, Digital Marketing is the promotion of products over the internet or any form of electronic media. According to the Digital Marketing Institute, "Digital Marketing is the use of digital channels to promote or market products and services to targeted consumers and businesses."

People are consuming digital content on a daily basis. Very soon, traditional marketing platforms will disappear, and the digital market will completely take over. There are a number of advantages in Digital Marketing. Unlike traditional marketing, digital marketing is more affordable.

Here is a video explaining how you can become a Digital Marketing Specialist. Hope you find it beneficial. Also, prepare yourself for SEO interview questions to land at your dream job!
